PROFESSIONAL EXPERIENCE

MISC Shipmanagement (Singapore) Pte Ltd

2016 – Present

Administrative Assistant — Onboard Tanker Vessels

- **Compliance & Documentation:** Prepare and update vessel certificates and records for SIRE inspections and Port State Control, keeping everything valid and audit-ready.
- **Port & Customs Paperwork:** Prepare pre-arrival documents (crew list, ship stores, narcotics list, cargo and crew documents) for ports in the USA, South America, and Europe, supporting on-time clearance.
- **Executive Support:** Manage email, correspondence, and calendars for the Master and senior management; relay office instructions; triage urgent items; arrange flights, hotels, ground transport, and medical appointments.
- **Procurement & Payroll:** Raise purchase requisitions in the NSE Enterprise System and track delivery and documentation; process crew payroll data (overtime, cash advances, allowances); support the Master's Statement of Accounts.
- **Reporting & Records:** Update daily reports (IMOS, AWT DRS, S-Insight); maintain the crew database; prepare daily-to-quarterly reports on completed and pending work.
- **Process Automation:** Built Excel VBA tools, Pivot Tables, dashboards, and trackers for purchase orders, inventory, and deadlines so anyone can see status at a glance.
- **Vendor Coordination:** Liaise with agents, service providers, and vendors, following up until every request is closed.
